## Junior software developer

---

maiki.suvi@voco.ee || +372 5688 3388

I am 25 years old and started in VOCO as a junior software developer. I have studied tailoring but now I would like to be a software developer, cause im more passionate about that

### Work Experience

#### **Maintenance technician assistance** **Summer Servis OÜ**

- Assisted in preparing details for plumbing work,
- Documented completed tasks,
- Maintained various ventilation devices by cleaning them, and checked their operational status

#### **Instructor** **Premier Restaurants Eesti OÜ**

- Trained new employees
- Prepared food and served customers
- Maintained order in workspaces
- Handled transactions

### Education

**Tartu Vocational College 2023 - ..**  
First year junior software developer

**Tallinna Tööstushariduskeskus 2020 -2022**  
Woman's clothing tailor

**Tartu Jaan Poska gümnaasium 2015-2017**

### Relevant Skills

- CSS and HTML
